

EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

The application has been amended as follows:

In the Abstract:

Line 2: delete "is disclosed".

In claim 35:

Line 1: delete "claim 4" and substitute --claim 34--; delete "surfactant" and substitute --boundary--.

Claims 3-22, 24-26, 28 and 30-35 are allowed.

It is noted that the above amendment to the abstract was needed since phrases that can be implied, such as "is disclosed" should not be present in an abstract. Further, the amendment to claim 35 was needed to correct a minor informality. See claims 9 and 10, which are now consistent with 34 and 35.
